

CONNECTED COMPETENCY

Is your workforce retiring?
Do you have an inexperienced workforce?
The “great crew change” transition is creating major skill gaps.

ARE YOU PREPARED TO FILL THE KNOWLEDGE GAP?

Do you know how to engage these employees?

Are your learning methods aligned with Millennial needs?

59%
Millennials expect state-of-the-art technology
Employer's provision of state-of-the-art technology was essential to them when considering the job.

65%
Millennials interface differently
Outdated and rigid work styles aren't preferred.

Owner-operators indicate they expect to see a 25% gap of qualified people available to help complete projects scheduled over the next five years.

Are your learning methods aligned with Millennial needs?

2 years
Millennials are loyalty-lite
Average company tenure.

CONNECTED COMPETENCY ENSURES YOUR WORKERS ARE OPERATIONALLY READY TO PERFORM

The Honeywell digitally-enabled training and education solution helps reduce time to competency and can ensure your workers have the necessary knowledge and expertise.

Connected Competency is a holistic solution for all phases of plant operation and provides tailored learning when and where your workers need it.

The solution is designed to help assess gaps, shorten the time to achieve competency, and sustain the benefits over time.
